

# NIVETHA KANNAN PUZZLE MAP

## “At Mom’s Office” -Nivetha Kannan

Players Play as 5 year old Archie who is left alone in her Mom’s office when her Mother has to attend an urgent meeting. Drats! It’s her Mom’s birthday today and Archie just wanted to spend an entire day with her. Taking things into her own hands, Archie escapes from her mother’s office. She wanders around to the meeting room and discovers the reason why her Mom is late- the projector for the meeting just won’t start up! It’s then up to Archie to find and fix the projector.
